ORDER

On June 30, 2022, the Court held a telephonic status conference with the parties. At the status conference, the parties explained the general details of a potential settlement in this case. Such a settlement necessitates a reassertion of class claims and adherence to Federal Rule of Civil Procedure 23. The parties and the Court agreed on a timeline to accomplish these matters.

Thus, to facilitate a timely resolution in this matter, Plaintiff shall file an Amended Complaint as soon as practicable. Further, the parties are to submit briefing on class certification for settlement purposes, a motion for preliminary approval, and all other related and necessary filings for these first steps toward class settlement, **no later than 45 days after entry of this order**.

SO ORDERED.
